

Instructions Regarding Appointments

Denton and Fort Worth Day-Time Appointments

- Pet drop-off is between 8am-9am
- Pet pick-up is between 3pm-4pm
- The TCAP office closes promptly at 4pm. Pets must be picked up the same day on which surgery is performed.
- **NOTE:** If your cat is being **DECLAWED**, pick-up is between 1pm-4pm the **NEXT** day.
- Please withhold food from your pet starting at 10pm the night before surgery
- Pets can have water up until the time of their appointment
- Cats must be brought in separate pet carriers
- Dogs must be brought in on a leash or in a carrier
- TCAP accepts cash or check only as forms of payment; NO credit/debit cards
- Payment is taken at the time that your pet is dropped off
- If your pet has had his/her rabies vaccination, please bring the paperwork (not the tag) with you
- If your pet has NOT had a rabies vaccination, one can be given at the time of surgery for \$5
- If a female pet is in heat at the time of surgery, there will be an extra \$10 fee assessed; if she is pregnant, an extra \$20 fee will apply
- If a male pet has only one testicle descended, there will be an extra \$20 fee assessed
- A \$20 late fee will be assessed for anyone who is late dropping off or picking up a pet

Denton Evening Appointments
